Dennis,

Thank you so much for taking the time to meet with us today.

I'm emailing to pass along a few documents we talked about you asked me to share with you:

1. The shortened version of our resolution that Quinton helped us write [attached]
2. Our 2-page campaign leaflet from 2018 with updated talking points [attached]
3. our 9-page report from 2016 with more detailed information on HP's role in violence and oppression in many countries around the world [attached]
4. The 1989 piece advocating against "singling out South Africa," which mirrors the argument we are hearing against Cambridge boycotting HP and talking about Israeli abuses of human rights [Linked HERE]
5. Jesse's post in the Facebook group Cambridge Town Hall about the push-call polling service, that has been calling the supporters of the HP boycott "a terrorist organization" and "Hamas" [attached as a screenshot and linked HERE]

We appreciate all the support you have shown us, and please do not hesitate to reach out any time with thoughts or questions.

Yours,

William
